OUTSIDE CONTRACTORS

Thunderbolt Marine is a repair and refit facility with restricted entry. In addition to the rates listed for in-house labor, licensed and insured Outside Contractors are welcome, a facility & utility use fee will be charged for all contractors working on vessels in TMI facility. Outside Contractors must provide proof of insurance and have signed agreement on file *prior to arrival to work*. Whenever possible TMI provides comprehensive quotes for budgetary planning and scheduling purposes. We require detailed work lists from all vessels prior to arrival in order to allocate resources accordingly.
